3 **Amendment**

4 Remove lines 794-805 and insert:

5 (2) Beginning July 1, 2013, the department shall review
6 and evaluate each economic development incentive application for
7 the economic benefits of the proposed award of state incentives
8 for the project. The term "economic benefits" has the same
9 meaning as provided in s. 288.005. The Office of Economic and
10 Demographic Research shall establish the methodology and model
11 used to calculate the economic benefits. For purposes of this
12 subsection, an amended definition of "economic benefits" may be
13 developed by the Office of Economic and Demographic Research.
