Senator Legg moved the following:

Senate Amendment

Delete lines 406 - 418

and insert:

receive a grade. The department shall develop a district report card that includes the district grade; the information required under s. 1008.345(5); measures of the district's progress in closing the achievement gap between higher-performing student subgroups and lower-performing student subgroups; measures of the district's progress in demonstrating Learning Gains of its highest-performing students; measures of

129464

12 the district's success in improving student attendance; the
13 district's grade-level promotion of students scoring achievement
14 levels 1 and 2 on statewide, standardized English Language Arts
15 and mathematics assessments; and measures of the district's
16 performance in preparing students for the transition from
17 elementary to middle school, middle to high school, and high
18 school to postsecondary institutions and careers.
