Senator Soto moved the following:

Senate Amendment to Amendment (250624)

Delete line 530

and insert:

boundaries. If the South Florida Water Management District elects to proceed under this section, the EAA Reservoir Project identified in the Comprehensive Everglades Restoration Plan must be the pilot project for the district. The South Florida Water Management District shall prepare a report by September 1, 2015, which identifies the site for the project and a plan to acquire the land for the project no later than September 1, 2017. The
