12 including the school financial report as required under s.
13 1010.215. A school must provide the school's financial report to
14 any parent who requests the report. The report must indicate the
15 average amount of money expended per student in the school.

16 (b) The Department of Education shall determine the
17 financial impact on locally levied funds for both the districts
18 that send and that receive students who enroll in a public
19 school in a school district other than their school district of
20 residence. The department shall research the feasibility of, and
21 recommend options for, transferring local funds with such
22 students. Beginning with the 2017-2018 school year, the
23 department shall by each November 1 provide results of the
24 research and any recommendations to the Legislature.
