12 1010.215. A school must provide the school's financial report to
13 any parent who requests the report. The report must indicate the
14 average amount of money expended per student in the school.

15 (b) The Department of Education shall determine the
16 financial impact on locally levied funds for both the districts
17 that send and that receive students who enroll in a public
18 school in a school district other than their school district of
19 residence. The department shall research the feasibility of, and
20 recommend options for, transferring local funds with such
21 students. Beginning with the 2017-2018 school year, the
22 department shall by each November 1 provide results of the
23 research and any recommendations to the Legislature.
