Amendment

Remove lines 974-985 and insert:

(2) Every licensed health care practitioner shall provide upon request by a patient, before providing any nonemergency medical services in a facility licensed under chapter 395, in writing or by electronic means a good faith estimate of reasonably anticipated charges to treat the patient's condition at the facility. The health care practitioner must provide the estimate to the patient within 7 business days after receiving the request and shall adjust the estimate for any potential insurance coverage. The health care practitioner must
