RE: Energy Efficiency Rebate Program

Dear Speaker Cretul and Governor Crist:

I am writing to ask you to end the stalemate that has arisen between you two which is to the detriment of the people of Florida.

As if the charade of the Special Session was not enough, I am now fielding numerous complaints in my office regarding the rebate program. I implore you to put aside your differences and do what is right for the people of Florida for the next 45 and 109 days left in your terms respectively. I ask that you find some way to immediately rectify the problem with the rebate program so that those responsible citizens may receive their rebates for which they have applied.

Please do not hesitate to contact me should you have any questions or comments. Thank you for your attention to this very important matter.

Sincerely,

A blue ink signature of Adam M. Fetterman, written in a cursive style.
