The Committee on Judiciary (Bean) recommended the following:

Senate Amendment

Delete lines 43 - 67
and insert:
(1) "Authorized user" means, with respect to a protected computer: a director, officer, employee, third-party agent, contractor, or consultant of the owner, operator, or lessee of the computer or the owner of information stored in the protected computer if the director, officer, employee, third-party agent, contractor, or consultant is granted access to the protected computer by the owner, operator, or lessee of the protected

computer or by the owner of information stored in such protected computer through a technological access barrier.

If the owner, operator, or lessee of the protected computer or the owner of information stored in the protected computer provides a director, officer, employee, third-party agent, contractor, or consultant with a technological access barrier within the scope of his or her employment, the owner, operator, or lessee of the computer or the owner of information stored in the protected computer gives explicit permission to the director, officer, employee, third-party agent, contractor, or consultant to use the technological access barrier and establishes the director, officer, employee, third-party agent, contractor, or consultant as an authorized user. Such permission, however, is terminated upon cessation of his or her employment.
