76 Section 50. Section 1012.731, Florida Statutes, is created
77 to read:

78 1012.731 The Florida Best and Brightest Teacher Scholarship
79 Program.—

80 (1) The Legislature recognizes that, second only to
81 parents, teachers play the most critical role within schools in
82 preparing students to achieve a high level of academic
83 performance. The Legislature further recognizes that research
84 has linked student outcomes to a teacher's own academic
85 achievement. Therefore, it is the intent of the Legislature to
86 designate teachers who have achieved high academic standards
87 during their own education as Florida's best and brightest
88 teacher scholars.

89 (2) There is created the Florida Best and Brightest Teacher
90 Scholarship Program to be administered by the Department of
91 Education. Beginning in the 2015-2016 school year, the
92 scholarship program shall provide categorical funding for
93 scholarships to be awarded to teachers who have demonstrated a
94 high level of academic achievement.

95 (3) (a) To be eligible for a scholarship, a teacher:

96 1. Must have scored at or above the 80th percentile on
97 either the SAT or the ACT based upon the percentile ranks in

747098

98 effect when the teacher took the assessment and have been
99 evaluated as highly effective pursuant to s. 1012.34; or

100 2. If the teacher is a first-year teacher who has not been
101 evaluated pursuant to s. 1012.34, must have scored at or above
102 the 80th percentile on either the SAT or the ACT based upon the
103 percentile ranks in effect when the teacher took the assessment.

104 (b) In order to demonstrate eligibility for an award, an
105 eligible teacher must submit to the school district, no later
106 than October 1, an official record of his or her SAT or ACT
107 score demonstrating that the teacher scored at or above the 80th
108 percentile based upon the percentile ranks in effect when the
109 teacher took the assessment. Once a teacher is deemed eligible
110 by the school district, the teacher shall remain eligible as
111 long as he or she is employed by the school district and
112 maintains or, if the teacher is a first-year teacher, earns the
113 evaluation designation of highly effective pursuant to s.
114 1012.34.

115 (4) Annually, by December 1, each school district shall
116 submit to the department the number of eligible teachers who
117 qualify for the scholarship.

118 (5) Annually, by February 1, the department shall disburse
119 scholarship funds, in an amount prescribed annually by the
120 Legislature in the General Appropriations Act, to each school
121 district for each eligible teacher to receive a scholarship. If
122 the number of eligible teachers exceeds the total appropriation
123 authorized in the General Appropriation Act, the department
124 shall prorate the per teacher scholarship amount.

125 (6) Annually, by April 1, each school district shall
126 provide payment of the scholarship to each eligible teacher.

747098

127 (7) For purposes of this section, the term "school
128 district" includes the Florida School for the Deaf and the Blind
129 and charter school governing boards.

130 Section 51. Section 1012.75, Florida Statutes, is amended
131 to read:

132 1012.75 Liability of teacher or principal;~~excessive~~
133 ~~force.~~-

134 (1) Except in the case of excessive force or cruel and
135 unusual punishment, a teacher or other member of the
136 instructional staff, a principal or the principal's designated
137 representative, or a bus driver shall not be civilly or
138 criminally liable for any action carried out in conformity with
139 State Board of Education and district school board rules
140 regarding the control, discipline, suspension, and expulsion of
141 students, including, but not limited to, any exercise of
142 authority under s. 1003.32 or s. 1006.09.

143 (2) The State Board of Education shall adopt rules that
144 outline administrative standards for the use of reasonable force
145 by school personnel to maintain a safe and orderly learning
146 environment. Such standards shall be distributed to each school
147 in the state and shall provide guidance to school personnel in
148 receiving the limitations on liability specified in this
149 section.

150 (3) Beginning with the 2015-2016 school year, the
151 Department of Education shall administer an educator liability
152 insurance program, as provided in the General Appropriation Act,
153 to protect full-time instructional personnel from liability for
154 monetary damages and the costs of defending actions resulting
155 from claims made against the instructional personnel arising out

747098

156 of occurrences in the course of activities within the
157 instructional personnel's professional capacity. For purposes of
158 this subsection, the terms "full-time," "part-time," and
159 "administrative personnel" shall be defined by the individual
160 district school board. For purposes of this subsection, the term
161 "instructional personnel" has the same meaning as provided in s.
162 1012.01(2).

163 (a) Liability coverage of at least \$2 million shall be
164 provided to all full-time instructional personnel. Liability
165 coverage may be provided to the following individuals who choose
166 to participate in the program, at cost: part-time instructional
167 personnel, administrative personnel, and students enrolled in a
168 state-approved teacher preparation program pursuant to s.
169 1012.39(3).

170 (b) Annually, by August 1, each district school board shall
171 notify personnel specified in paragraph (a) of the liability
172 coverage provided pursuant to this subsection. The department
173 shall develop the form of the notice which each district school
174 board must use. The notice must be on an 8 1/2-inch by 5 1/2-
175 inch postcard and include the amount of coverage, a general
176 description of the nature of the coverage, and the contact
177 information for coverage and claims questions. The notification
178 must be provided separately from any other correspondence. Each
179 district school board shall certify to the department, by August
180 5 of each year, that the notification required by this paragraph
181 has been provided.

182 (c) The department shall consult with the Department of
183 Financial Services to select the most economically prudent and
184 cost-effective means of implementing the program through self-

747098

185 insurance, a risk management program, or competitive
186 procurement. s. 1001.92

187 Section 52. Section 1001.92, Florida Statutes, is created
188 to read:

189 1001.92 State University System Performance-Based
190 Incentive.—

191 (1) The State University System Performance-Based Incentive
192 must be based on indicators of institutional attainment of
193 performance metrics adopted by the Board of Governors. The
194 performance-based funding metrics must include metrics that
195 measure graduation and retention rates; degree production;
196 affordability; postgraduation employment, salaries, or further
197 education; student loan default rates; access; and any other
198 metrics approved by the board.

199 (2) The Board of Governors shall evaluate the institutions'
200 performance on the metrics based on benchmarks adopted by the
201 board which measure the achievement of institutional excellence
202 or improvement. The amount of funds available for allocation to
203 the institutions each fiscal year based on the performance
204 funding model is composed of the state investment in performance
205 funding, plus an institutional investment consisting of funds to
206 be redistributed from the base funding of the State University
207 System, as determined in the General Appropriations Act. The
208 state investment shall be distributed in accordance with the
209 performance funding model. The institutional investment shall be
210 restored for all institutions that meet the board's minimum
211 performance threshold under the performance funding model. An
212 institution that is one of the bottom three institutions is not
213 eligible for the state investment. An institution that fails to

747098

214 meet the board's minimum performance funding threshold is not
215 eligible for the state investment, shall have a portion of its
216 institutional investment withheld, and shall submit an
217 improvement plan to the board which specifies the activities and
218 strategies for improving the institution's performance. The
219 board shall review the improvement plan, and if approved,
220 monitor the institution's progress in implementing the
221 activities and strategies specified in the improvement plan. The
222 Chancellor of the State University System shall withhold
223 disbursement of the institutional investment until such time as
224 the monitoring report for the institution is approved by the
225 board. Any institution that fails to make satisfactory progress
226 may not have its full institutional investment restored. If all
227 funds are not restored, any remaining funds shall be
228 redistributed to the top three scorers in accordance with the
229 board's performance funding model. The ability of an institution
230 to submit an improvement plan to the board is limited to 1
231 fiscal year. If an institution subject to an improvement plan
232 fails to meet the board's minimum performance funding threshold
233 during any future fiscal year, the institution's institutional
234 investment will be withheld by the board and redistributed to
235 the top three scorers in accordance with the board's performance
236 funding model.

237 (3) By October 1 of each year, the Board of Governors shall
238 submit to the Governor, the President of the Senate, and the
239 Speaker of the House of Representatives a report on the previous
240 year's performance funding allocation which reflects the
241 rankings and award distributions.

242 (4) The Board of Governors shall adopt a regulation to

747098

243 implement this section.
