4. A licensed pari-mutuel facility located in a county which a majority of voters have approved Class II slot machines at eligible facilities in a countywide referendum, and is comprised of predominately minority citizens, and has a population of less than 100,000 persons, and an income per capita of 80 percent or less of the national average, and has an unemployment rate at least 1 percent greater than the national average unemployment rate. However, a license to conduct slot machine gaming may not be granted by the division pursuant to this paragraph unless the Gaming Compact between the Seminole Tribe of Florida and the State of Florida authorized pursuant to s. 285.710 is amended to exempt the slot machine gaming conducted by such slot machine licensees from the Seminole Tribe of Florida's exclusive gaming rights.
